[***Errata***: The index for 2001-2002 used the incorrect form of entry for the Public Library of Charlotte and Mecklenburg County, (namely, Charlotte-Mecklenburg Public Library). The indexer regrets the error.]

Guidelines for Using the Index to *North Carolina Libraries*

1. Articles are indexed by title, subject, and first-named author, with cross-references from co-authors.
2. Reviews are indexed by the title and first-named author, with cross-references from co-authors and reviewers.
3. All library organizations are entered under their full names. Material on the substructures of these organizations, such as committees, sections, etc., is listed alphabetically under the organization name, such as **North Carolina Library Association. Round Table on . . . .**
